

## SAFETY MEASURES

### FOR BOAT RENTAL/COVID 19

To be attention of customers and navigating crew

To prevent the spread of COVID 19, SY Prestige Yacht has devised safety measures specific to the industry. These measures are to be taken in addition to the relevant Public Service.

	Your temperature will be checked at the quay before vessel's departure
	Protective masks will be provided for each passenger and navigating crew (as per regulations)
	If cough, cover your mouth and nose with tissue or your sleeve.
	The minimum distance between people is 1 metre.
	Soap and hydroalcoholic gel are your disposal to wash your hands regularly
	The vessel is disinfected prior to each departure and upon its return at port
	Should catering services be requested during the rental these will be provided by outsourced company compliant health and safety regulations. Delivery will be at the back of the vessel and prior to passengers boarding.
